CI/CD	Git, Bit Bucket, Jira, Netlify, Cloud Flare

Projects

(AWS) Cloud ERP Solution :, *C# .Net Core, AWS Cognito, AWS Lambda, Dynamo DB.*
Build using AWS Services and capable of handling 10,000+ users with AWS LAmbda, IAM, Cognito & Dynamo DB
https://github.com/waleed-javed/AWS-ErpSolution

(IoT -ML) Cloud Portable ECG :, *Python, Matlab, Firebase, Android SDK*.
Real-time AI based Congestive Heart Failure Detection device trained on BIMDC CHFG dataset having Realtime ECG graph, health tracking, Diet and Exercise recommender system and first-hand medical attention suggester deployed on Firebase Cloud working at 98% accuracy
https://github.com/waleed-javed/ML-HFD-FYP

(AWS) EF-SEC2, *Node JS, AWS EC2, AWS EFS*.
Complete POC of mounting Amazon Elastic Compute Cloud with Amazion Elastic File System written in NodeJS
https://github.com/waleed-javed/WEB_Projects

(MERN) TWITT, *Axios, React JS, Node JS, MongoDB*.
An online platform to post small tweet like status updates upading in realtime with beautiful animations and node js backend
https://github.com/waleed-javed/twitter-clone

(WordPress) Ukabi, *WordPress, CSS, Elementor, Divi*.
Tourism based e-com solution with integrated payment gateway, Tax Calculations, Shipping management and Add to Cart system built on top of wordpress CMS
https://github.com/waleed-javed/

(C# ASP.NET) Task Distributor, *C# NET, ADO ORM, My SQL Server*.
Complere Task distribution System with user roles management and guard system along with comment system that supports image attachments.
https://github.com/waleed-javed/TaskDistributionModule

(Web + Desktop App) Foodie Moodie, *C# ASP.NET, MY SQL, CSS 3, Javascript, LINQ, Entity Framework, ADO.NET ORM*.
An online food ordering solutions with windows based dektop app built as an SPA build using ASP.NET, ADO.Net and Microsoft Identity framework.
https://github.com/waleed-javed/

Education

Sep 2017 |
Feb 2021
BS in Computer Science, *Comsats University Islamabad*, GPA: 3.6, *Abbottabad.*

Achievements

PEEF Scholarship, *2019*.

Co-founder Think Tank Education Service, *2018*.

Microsoft Innovative Educator, *2019*.
